Hire for Celebrations - Frequently Asked Question's

How to book! – Please check the availability of dates with us first then fill in the reservation form, a 50% deposit is payable to secure the date and then the remainder is payable one month before your event. We also ask for a fully returnable damage deposit.

What is included in the hire cost? – The fees include the cost of the room hire, use of our tables and chairs, a house manager for the duration of the event and the bar open and staffed (only if required). Everything else is chargeable separately such as sound and lighting systems, and use of the kitchen etc.

How many people can the Hall hold? – The maximum standing capacity of the main hall is 120 people. If you are planning a formal sit down meal we recommend less than a hundred people. The capacity is non-negotiable as this affects our license and insurance and most importantly the health and safety of your guests.

Tables, Chairs & Other Things? – We have 100 matching chairs and we have three types of tables available – 6ft x 2ft, 4ft x 2ft and 2ft x 2ft. We don't have round tables but happy for you to hire them if required, the 5ft's seat 8-10 ppl.

Licensing, Alcohol and the bar? – Our premises are fully licensed and we have a well-stocked bar with lower than pub prices. We allow people to bring in Champagne and table wines subject to a corkage fee, please note we do not serve any drinks you bring in. We can store and chill drinks in our fridge in advance if required. However we are not able to allow hirers to supply their own beers, spirits and other alcoholic drinks. The centre is licensed for Alcohol, Music and Dancing until 11.00pm. We are unable to apply for extensions as we are in a residential area.

Use Of The Garden? The garden is available to be used by hirers within a strict code. It is public property owned and managed by Greenwich Council and subject to the by-laws that any public park has. For example the by-laws prohibit the use of bouncy castles, barbeques, marquees and use after 8pm or dusk (whichever is earlier). If you would like to use the garden please discuss this with the centre manager.

Decorating The Hall? We are happy for decorations to be used in the hall as long as there is no damage to the paintwork, pipes etc. We have provided hooks around the ceiling beams for this purpose. No tape, nails or drawing pins are to be used. All decorations are to be removed by the hirer at the end of the event. Please talk to us in advance if you wish to use draping or structures.

Catering, Kitchens, Cutlery, Linen and glassware? – You are free to bring in your own event caterers. If required we can recommend a wide range of caterers we have worked with before. We have two kitchens both with cookers available which are hireable separately. We do not provide cutlery, crockery, linen or waiting staff as part of the hire. Food trucks/stalls are permitted within the car park area, we cannot supply power to the outside area so caterers must be self-sufficient in terms of power, using their own generator if required.

Music, Disco's, Live Musicians, Sound Systems & Lighting? – We allow discos and certain live music. We have a high quality sound system for hire which has been designed to provide maximum quality without upsetting our residential neighbours. You can source your own DJ or Musicians who will need to connect to our sound system or we can help. We have event and disco lighting also available. We have been set strict volume levels by the local authority so please discuss your needs with the centre manager. We also have a Grand Piano. When music is being played at a higher level than background level all doors and windows will be closed and this can affect access to the garden.

Travel, Parking & Access? Getting to the centre is easy. We are 500 yards from the A2/A102, 400 yards from Westcombe Park train station and local buses pass directly by. There is a generous amount of free parking available in the streets that surround the centre plus we have a small car-park including disabled parking on-site.

Setting Up and Clearing Away? We will provide your room pre-set in the format you have chosen if we can. The hireable period includes your set up and clear away times. We will clear away our equipment, glasses, tables and chairs etc. You are responsible for things you have brought into the building yourselves including food, decorations, bottles, presents, hired plates, cutlery and catering equipment etc.

Our aim – We aim to provide you with the space, environment and support to have a successful and enjoyable occasion. We pride ourselves on our friendly, flexible and professional service. To help you achieve the perfect occasion we recommend having a meeting with us in advance of your event to discuss and confirm all details. When you confirm your booking we will provide you with a questionnaire that will hopefully help you plan your event with us. **Mycenae House** is a charity that services the communities of Greenwich and South East London. Our hire charges are set to make it accessible to as many people in the community as possible and therefore has lower costs than most venues. However our charity also relies on the income from events to make our centre and services sustainable, we therefore do not offer discounts or negotiate on fees.
